Title of Thesis / Endowments of Individuals in Ancient Egypt
From the Old Kingdom till the End of New Kingdom
Summary /

This thesis dealt with Endowments (Waqf) of individuals in ancient Egypt from the beginning of the Old Kingdom until the end of the New Kingdom, through analyzing ancient Egyptian texts and reliefs..

Endowments in Ancient Egypt were detained for funeral-, pious-, charitable- or philanthropic purposes, by taking certain procedures to ensure the proper functioning of the endowments such as the appointment of a general Waqf-director for them, assisted by a number of workers, employees and scribes, in order to protect the endowments.
